About Guru Nanak Dev University, Amritsar

Guru Nanak Dev University was established at Amritsar on November 24, 1969 to mark the 500th birth anniversary of Sri Guru Nanak Dev Ji. It is both a residential and an affiliating university. In conceiving the future course of the University, the objectives enshrined in the Guru Nanak Dev University Act 1969, emphasized that the new University would make provision for imparting education and promoting research in the humanities, learned professions, sciences, especially of applied nature and technology

Ever since its foundation, the endeavor of the University has been to meet the objectives enshrined in the Guru Nanak Dev University Act 1969, which emphasized that the new University would make provisions for imparting education and promoting research in the humanities, learned professions, sciences, especially of applied nature and technology. Studies and research on the life and teaching of Guru Nanak Dev Ji, in addition to working towards the promotion of Punjabi language and imparting knowledge to educationally backward classes and communities, are the other commitments.

In consonance with these expectations, the University in its eventful history of 49 years has taken long strides in spreading the message of Guru Nanak Dev Ji and promoting education in fields such as Sciences, Social Science, Languages, Humanities, Arts, Management, Engineering and Technology, Environment, Planning, Architecture and comparative religion. To fulfill its commitment, the tuition fee charged from the students of the departments of Guru Nanak Studies and the School of Punjabi Studies has been waived off.

The University is successfully catering twenty thousand students in various faculties at University Campuses and Constituent Colleges. Guru Nanak Dev University is the first University of the region which introduced online admissions to its courses, online counselling for State Level Admissions and Credit Based Evaluation System. All the results have been computerized and OMR (Optical Magnetic Recognition) system is being used to bring in more efficiency and transparency. It is again first for any University in the region to have computerized its examination and registration system. The students now have an all-time access to their results through SMS service.

The UGC conferred upon this University the status of **"University with Potential for Excellence"** in the year 2012.In continuation to its earlier NAAC (National Assessment and Accreditation Council) recognitions *(Five Star University in 2000, CGPA of 3.50 out of 4 (A Grade) in 2007)*, in 3rd cycle of reaccreditation in 2014 the University earned CGPA of 3.51 out of 4 scale -*A**grade*, the highest in the region. NIRF (National Institute Ranking Framework) placed the university on 55th rank in the country in year 2019. Various other reports published by periodicals like India Today and The Week recognized the University as one amongst the best in Northern region and in the Country.
